My Toner World

The key word to My Tonerworld is world. When you purchase remanufactured cartridges you save a little piece of the world each time, not to mention saving money on your operating budget. We can save you a considerable amount over the year. Let us show you how you can have more left over on your operating budget without sacrificing quality. And remember, whether OEM (brand) or remanufactured products, we back them both, 100% guaranteed.

My Toner World has supplied toner products for laser & ink-jet printers, fax machines, and copiers for over twelve years. With a reputation for taking care of business, *CAM BOURQUE*, owner of **My Toner World**, provides an ongoing effort too make sure you, the customer, gets what you expect and more, based upon **personalized service** and **trust**. Cam recognized early the importance of looking after his customers' machines because businesses consider their machines essential tools. As a result, **Toner World** initiated an exclusive *customer service policy* designed to ease this anxiety. The policy is intended for every client who has a minimum of five machines (printers, faxes or copiers).

Our exclusive policy...

Toner World offers a free, yearly maintenance clean and same day emergency delivery for those who qualify. There is no substitute for having toner when you need it or owning a machine that runs cooler, smoother and trouble-free. This unique guarantee is why **Toner World** is gaining an advantage over the competition with companies in Edmonton.

In addition we'll offer you the same day emergency service and free clean if you have 10 machines or more. Whether OEM (brand) or remanufactured products, we back them both, 100% guaranteed.
